

**Join the Pilot CommUnity,  
become a BeCA member!**

**Discover your  
pilot association**

## Your expectations ...

- A pilot contract offering **decent salary and working conditions**
- A **non-blaming** company culture
- A real support “**for pilots by pilots**” to help you
- Flying **without excessive fatigue**
- Flying in a **safe environment** for your health
- Having your airline facing **fair competitors who play by the same rules**
- A **day & night service** to call in case of emergency
- To be part of a **pilot commUnity** ready to support you in case of legal, medical, licence, ... issues

## Who we are

- The only recognised **professional association** representing **airline pilots in Belgium**
- Run by **volunteer pilots**
- **Self-funded** and politically independent

*The voice of pilots in Belgium!*

## ...Our goals

- Ensure social rights and quality employment through **national & european legislations**
- Strive for the **highest levels of aviation safety** by supporting your pilot union delegates in airlines on pilot issues: **Just Culture, Peer Support Programs, Flight Time Limitations, Cabin Air Quality...**
- Ensure **traffic rights agreements & labor law** are properly implemented
- Offer you a **24/7 Accident/incident Hotline**
- Assist you in case of problems: **legal, medical, licences, Loss Of Licence insurance, etc**

## How you can join us

Easy!

Just fill in our online membership application form at:

<https://www.beca.be/join-beca/>

# Who are our members

## Already unionised? Why you should also join BeCA

- To maximise impact in your airline: BeCA provides **expertise & support** to your pilot union representatives.
- Unions defend **workers** across all categories at **airline and national levels**.
- BeCA represents the *collective* interests of your **pilot community** at **airline, national & international levels**.
- BeCA & Unions have **different and complementary expertise** in collective representation.

*“As Pilot become a BeCA member, as Employee become a Union member”*
